

RUE MUZY, GENEVA

COMPLETED

This former hotel has been transformed into an 80-bed student housing facility located just one block from Lake Geneva in the Eaux Vive section of Geneva, Switzerland. With modernized kitchens and bathrooms, common meeting rooms, and state of the art communications, this project has become one of the premier student housing facilities in Geneva. From site selection to delivery of a furnished facility, TJAC is responsible for all aspects of this development. The completed project features amenities such as:

- Individual bathrooms in each unit
- Modernized kitchens per floor
- Common dining and eating areas per floor
- Shared living areas and TV lounge
- Multi-purpose classrooms
- Laundry facilities
- Storage for student luggage and equipment
- Building wide WiFi
